

PULL TABS FOR MOLLY !!

As you are aware, our **Westport Central School** family has been affected by illness. Molly Rascoe is receiving dialysis three times a week at present and the family has used the Ronald McDonald House in Burlington when she has been hospitalized there.

One fundraiser for the Ronald McDonald House is saving the tab pulls on aluminum cans. What you can do is to remove the tab before you send your cans to be recycled and we will collect those tabs at school.

Starting next week, we will have a container in the office for the tabs and we will donate them to the Ronald McDonald House in Molly Rascoe's name. We need everyone's help with this project, please join us in this venture. Recently a fourth grade class in Saranac Lake donated 300 pounds. ELCS has started this same fundraiser for Molly, and hopes to exceed the 300 pounds. Let's say we make this a friendly challenge – remember, they started a week ago!! All tabs collected will be donated to the Ronald McDonald House in December.
