

Enhanced Messaging Service Information Sheet
(Automated Calling)

Westport Central School will again participate with Champlain Valley Educational Services in providing reliable outbound calling and message broadcasting to faculty, staff, parents and guardians. Through the Enhanced Messaging Services, WCS will be able to provide immediate notification for school closings, power outages, and any other emergencies or events where notification is deemed necessary.

The numbers that you have listed will be able to be contacted by these services. This is a secured, web-based portal service. Your personal information will not be distributed.

Contact Information:

Student Name(s): _____

1. Before & After School Hours (Early morning weather closings, upcoming WCS Event information) The system can not dial extensions.

Designate Phone Number(s) to be notified for this time frame:

Ph. #: ()	type (please circle): home / cell / other
Ph. #: ()	type (please circle): home / cell / other

2. During School Hours (8 am – 3 pm) (Unplanned emergency dismissal during the school day)

Designate Phone Number(s) to be notified for this time frame: The system can not dial extensions.

Ph. #: ()	type (please circle): home / cell / work / other
Ph. #: ()	type (please circle): home / cell / work / other

These numbers listed above will be used in our automated calling for messages going out to the entire school community.

Individual student emergency contact information is to be listed on the Student Emergency Information Form.
